# Honouring Nettleford

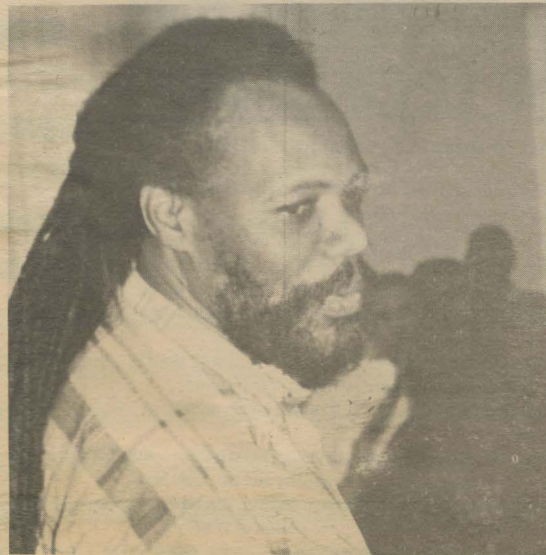

Prof. Rupert Lewis says his piece.

Nettleford, Planno and Prof. Lambros Comitas.

Dr. Barry Chevannes makes his point.

Ibo Cooper had his say.

The function was organized in his honour, but it also belonged to the numerous intellectuals and artistes who celebrated with Rex Nettleford at a Culture Conference in his honour at the University of the West Indies from March 4-6.

Prominent among them was Rastaman Mortimor Planno who filled the lens of photographer Jerry Small many times on this page.

Poetess Lorna Goodison reasons with Planno as Comitas looks on.
