

DR. KENNETH E. INGRAM NATIONAL LIBRARY OF JAMAICA

The National Library of Jamaica is honoured to be associated with this function this evening to show our appreciation for and to congratulate Dr. Kenneth E. Ingram, O.D.

Dr. Ingram has been associated with the Institute of Jamaica and by extension the National Library for over 60 years having joined the staff of the West India Reference Library as a Library Assistant in 1941. He moved from the position to that of member of Council, which he served from 1988 – 1996 and ended his sojourn as a member of the Board of Management of the National Library after 20 years.

The love Dr. Ingram has for the Library and all that it stands for rivals that, which he has for Mrs. Ingram. I say this because of the countless hours he spends with us going through the collection on his many bibliographic pursuits.

The Board of management is grateful for his wise counsel over the years.

Sir on behalf of the National Library I congratulate you whole heartedly on being awarded the Honorary **DOCTOR OF LETTERS DEGREE** by the University of the West Indies.

May God continue to bless you with health, strength and good eye-sight.
