DEFINITION OF TERMS

The following terms are used when selecting the prices to be applied to customers using images in NLJs collection in a publication. These publications may be in print, digital or other media and the publishers may be local or overseas, individual or corporate and as such charges are applied based on the type of publication.

Overseas publisher/producer: Someone who resides overseas is not a resident of Jamaica and whose publication will not be done in Jamaica or have a local ISBN

Publication: This includes any document to be released for public distribution for free or for sale

Commercial Publication: The publication for which the images that are required is one that is to be offered for sale.

Non-Commercial Publication: The publication for which the images that are required is one that is to be offered for free distribution.

NATIONAL LIBRARY OF JAMAICA
