Seaga meets French PM

PARIS, July 22:
PRIME Minister Edward Seaga of Jamaica met Monday with his French counterpart, Laurent Fabius, in talks that centered on the economic and political state of the Caribbean and Central America, Fabius' office reported.

During their one-hour meeting, the

two men considered bilateral relations, which the statement described as "satisfactory."

Fabius and Seaga also discussed economic Austerity measures taken by the Jamaican Government under accords with the International Monetary Fund and Jamaica's efforts to curb drug trafficking, the statement said.
