ALLAN, EDRIJS

The New Unity Senior Citizens Club now celebrating its 12th anniversary is in the process of making plans for their annual dinner to be held at their headquarters 74 Arnold Road.

The Club which was formed in 1969 recently visited indigent homes including the Eventide Home which they have visited quite regularly in previous years.

Other indigent homes visited were Ozam Home for the aged, Bishop Gibson Home for the aged, Rose Lane, and McWhinney Streets indigent homes.

At the Holy Trinity Cathedral on North Street the New Unity Senior Citizens Club had a church service to commemorate their anniversary.

The Rev. Father S.J. Grenier delivered the sermon and Fr. Abner Powell offered the prayers. The message was read

at the church service by Mr. Len Kirby who along with his wife Mrs. Kirby, deputised for the Hon. Neville Lewis, who was off the island at the time.

The Club's godmother Lady Allan spoke of her long association with the club dating from its very first dinner. She also paid tribute to their leader Mrs. C. Davy-Hamilton commenting on her dynamism which has helped to offer treats to hundreds of senior citizens and children.

Godmother Thelma Campbell, a former member of the National Volunteers

Organisation also paid tribute to their leader. She had known Mrs. Davy-Hamilton "since the early sixties".

Miss Monica Whyte of the Jamaica Folk Singers deputised for the group's leader Miss Olive Lewin, who was off the island.

The most recent major function by the New Unity Senior Citizens Club was their Culinary Arts Day held at the Jamaica Federation of Women's Headquarters 74 Arnold Road, where they reaped success with sales from their home-made foodstuffs.
