

McKenley to speak at ITC Clinic

HERB MCKENLEY, Government Athletics Supervisor, will be the principal speaker at the First International Track Coaches Association Clinic.

Over 600 of the world's foremost track coaches have accepted invitations to attend the clinic which will be held at Berkeley, California June 11-20.

Leading world authorities will speak on their favourite athletic topics at the meeting.

McKenley will discuss different phases of the 400-metre run, speaking for one hour on each of four phases of quarter-mile running. He will also answer written questions from the coaches.
