PRESIDENT OF GHANA

KINGSTON, March 15 (JAMPRESS):

President of the Republic of Ghana, Lt. Jerry John Rawlings, has sent the following letter to Prime Minister P.J. Patterson, paying tribute to former Prime Minister, Michael Manley who died on March 6.

"The people and Government of Ghana join me in expressing our condolences to you and the people of Jamaica.

The remarkable role played by Mr. Michael Manley during his three terms as Prime Minister did not only bring Jamaica to the centre-stage of the non-aligned movement but also helped to highlight the common aspirations of developing countries.
